

2000LBS ENGINE STAND

Heavy-duty steel frame construction 360° rotating head locks in positions disassembles quickly and easily for storage and transportation.

CAUTION

1. Do not exceed the maximum capacity of 2000lb;
2. Use only on hard level surface;
3. Never attempt to move loaded stand across floors having cracks or other obstacles which might impede movement of wheels;
4. Never work directly under a supported engine;
5. Be sure load and stand are stable;
6. Periodically inspect stand to insure its safe operation;
7. Failure to follow any of these instructions may result in property damage and / or personal injury.
